## TRAFFIC ALERT

### **Rapid Transit Tubes Joint Reconstruction Project**

During the week of November 16, 2009, various structural repairs will occur to the existing Rapid Transit Tubes beneath Central Parkway, between Liberty Street and Brighton Place. Sunesis Construction Company is the contractor responsible for reconstructing deteriorated joints, sealing off wall ventilation openings, removing one ventilation shaft, and other repair work. The company is scheduled to finish the project by May 2010.

The contractor will maintain traffic on the project streets. However, traffic will be restricted as follows during various phases of construction:

- On Central Parkway between Wade and Brighton, traffic will be restricted to one 11-foot lane in each direction.
- On Central Parkway between Race and Vine, all lanes will be open from 7 to 9 a.m. and 4 to 6 p.m., Monday through Friday. However, during working hours, one lane adjacent to the center median will be closed in the eastbound direction
- On Brighton, traffic will be restricted to one 11-foot lane in each direction.
- On Liberty Street, all lanes will be open from 7 to 9 a.m. and 4 to 6 p.m., Monday through Friday, and during all non-working hours. However, during working hours, traffic will be restricted to two 11-foot lanes in each direction.

**Drivers are encouraged to reduce their speed and use caution when approaching the closure area.**
